Dear Sir:

Here is the report of the activities of the Milwaukee Radio Amateur's Club for the past month.

A set of medals was awarded by Mr.Robt.Knoff Radio Editor of the Milwaukee Journal to the three Milwaukee stations having the highest traffic totals for the Month of May. The winners were as follows:

Mr.Fred Catel 9DTK-Gold Medal.
Mr.C.E.Miller 9SR -Silver Medal
Mr.Carl Hatch 9BBY-Gold Medal.

Plans for a 250 Watt club station are under way.The club is Co-operating with the Federated Nations of the World in this.

The C.M. Mr.Catel in co-operation with the club members has inaugurated a plan for sending tourists messages via radio. The Milwaukee Journal Tour Club is giving this publicity and the plan is working out fine.

Plans have been made for a"QSO Picnic" to be held at Delafield Wis and to be open to all club members and their YL's

This is all for this month.Things are quieting down slightly here but a very good attendance at the club meetings is still maintained.

Very Truly Yours.

Secy-Treas.
